

# Cookie Policy

Last updated: 18/02/2026

This Cookie Policy describes how this website uses the cookies and different types of cookies and other technologies that may be used in connection with the <https://about-demo-account.com> website owned or controlled by Evgenii Didenko ("I", "my" or "me") to provide you with a better browsing experience and to collect information about your interactions with my website.

In addition, it also aids in fraud prevention and security protection.

This Cookie Policy also describes how you can manage cookies and other technologies.

I may change this Cookie Policy at any time. Please take a look at the "Last updated" section at the top of this page to see when this Cookie Policy was last revised. Any changes in this Cookie Policy will become effective when we make the revised Cookie Policy available on or through the website.

My website stores tiny pieces of data called cookies on your computer or mobile devices like smartphones or tablets when you visit. A cookie usually holds info about the website that made it, its expiry date (meaning how long it stays on your device), and a unique number that's generated randomly.

I use Cookies to track the activity on my website and store certain information.

## **Cookies or Browser Cookies**

A cookie is a small file placed on Your Device. You can instruct Your browser to refuse all Cookies or to indicate when a Cookie is being sent. However, if You do not accept Cookies, You may not be able to use some parts of my website. Unless you have adjusted Your browser setting so that it will refuse Cookies, my website may use Cookies.

## **Why Use Cookies?**

Cookies enhance my website functionality, making it more user-friendly and tailored to your interests and needs. They allow my website to recognize users and remember important info, improving your browsing experience by keeping track of your preferences.

Cookies also boost the efficiency and speed of my website interaction with users. I also gather anonymous, collective data through cookies to understand better how visitors use my website, aiming to enhance its structure and content. However, this information doesn't let identify you personally.

## **Cookie Types on My Website**

I use two cookie varieties: session and persistent cookies.

Session cookies are temporary and stay on your device only while you're visiting my website.

Persistent cookies, on the other hand, remain for a longer period or until you delete them, based on their set expiration date.

## **Are Third-Party Cookies Used?**

Yes, some of our service providers might place their cookies on your devices to offer their services. For more details about these cookies and opting out, please refer to the privacy policies of these third parties.

## **Your Cookie Choices**

Even though most web browsers accept cookies by default, you can modify your browser settings to block cookies or alert you when they're being sent to your device. At any point, you can refuse, accept, or delete cookies from my website through your browser settings. For specific instructions on managing cookies, refer to your browser's help section or the website of its developer.

Note, if you choose to block or delete cookies, not every part of my website might work as intended. For instance, you might not be able to access some areas.

If you use different devices to visit and interact with my website (like a computer, smartphone, or tablet), remember to adjust each device's browser settings according to your cookie preferences.
